

## Education & Training

### Directory of SAF-Accredited Educational Programs in Professional Forestry

A comprehensive list of accredited schools as well as continuing education (CFE) resources are included. [www.eforester.org/education/2012\\_College\\_Guide.pdf](http://www.eforester.org/education/2012_College_Guide.pdf)

### Directory of North American Schools

Offering Undergraduate and Graduate programs in Wood Science and Technology:  
<http://swst.org/education/schooldirectory.html>

### Forestry Program at Purdue

<https://ag.purdue.edu/fnr/Pages/ossforestry.aspx>

### Wood Products Program at Purdue

<https://ag.purdue.edu/fnr/Pages/osswoodproducts.aspx>

### Project Learning Tree

The Cornerstone for Environmental Education - *Environmental education program designed for teachers and other educators working with preschool through grade 12 students.* [www.plt.org](http://www.plt.org)

### WoodLINKS®

"Helping to build future woodworkers" - Tools for students, schools, and industry  
[www.woodlinksusa.org/](http://www.woodlinksusa.org/)

### Wood Magic Science Fair™

Is aimed specifically at elementary school students. It seeks to educate students about the tremendous importance of wood and wood products to each of us individually and to the economy of the nation. [www.cfr.msstate.edu/forestp/wmsf](http://www.cfr.msstate.edu/forestp/wmsf)

### Training Courses

IHLA - lumber grading and logger training courses  
[www.ihla.org/Events.html](http://www.ihla.org/Events.html)

### Scholarships

IHLA provides monetary support to individuals interested in developing a career in the hardwood industry. The monetary support may be used to attend any educational program ranging from a two or four year collegiate program, trade school, lumber grading school, saw filer school, dry kiln operators schooling, etc.
